The Declaration and the Bylaws are herein referred to as the “Community Documents.” If there is any variation between this Public Offering Statement and the Community Documents, the Community Documents will govern.

All capitalized terms which are not defined in this Public Offering Statement have the meanings set forth in the Declaration or in the Bylaws.

A Brief Description of Granbury Manor Estates Planned Community

Granbury Manor Estates Planned Community is located in Norwegian Township, Schuylkill County, Pennsylvania. The initial Community shall consist of three (3) Units being Units 64, 66, and 72, consisting of a subdivided residential Lot as designated on the record plan prepared by Kirk W. Barnett, attached to the Declaration as Exhibit “C” (the “Plan” or “Record Plan”). Each Unit will also consist of the single-family detached dwelling constructed on each such Lot. The Community is ultimately contemplated to consist of twenty-six (26) single-family detached Units in Phase 1A.

Typically, each new Unit will contain four (4) bedrooms and two and one-half (2.5) bathrooms. The new Units will have substantially maintenance-free exteriors expected to consist of stone, brick, or vinyl siding. Declarant intends to construct the roadways, sidewalks, and the stormwater management basins and appurtenant pipes, swales, inlets, rain gardens and other components (collectively referred to as the “Stormwater Management System”). The Declarant will also construct sanitary sewer lines which will be dedicated to Norwegian Township and shall construct water lines which will be dedicated to Schuylkill County Municipal Authority.

Summary of Community Documents

The Community Documents, consisting of the Declaration and Bylaws, are part of this booklet. They will create and govern the operation of the Community.

a. **Declaration.** The Declaration is the formal, legal document which creates the Community. Before completing settlement on any Unit, Declarant must create the Community by recording the Declaration in the Office for the Recorder of Deeds of Schuylkill County, Pennsylvania. The Declaration specifies the boundaries of the Unit, identifies the Common Facilities, Controlled Facilities, and sets forth the basis on which voting and liability for the expenses of the Association will be allocated among the Units.

Article II of the Declaration identifies the initial Community consisting of three (3) Units being Units 64, 66, and 72, on subdivided residential Lots as set forth on the Record Plan. Each Unit will also consist of the single-family detached dwelling constructed on each Lot. The Community is ultimately contemplated to consist of twenty-six (26) single-family detached Units in Phase 1A. Declarant intends to construct the roadways, sidewalks, and the Stormwater Management System. The Declarant will also construct sanitary sewer lines which will be dedicated to Norwegian Township and shall construct water lines which will be dedicated to the Schuylkill County Municipal Authority. The Declarant has reserved the right to convert portions of the Property and certain areas in the vicinity of the Property into additional Units, Common Facilities and Controlled Facilities.

Article III of the Declaration describes the Units, Common Facilities, and Controlled Facilities which comprise the Community. Each Unit shall consist of the subdivided residential Lot as designated on the Record Plan, and well as the single-family detached dwelling constructed on each such Lot and the dwelling's mechanical or structural components.

Common Facilities shall consist of Parcel B, Parcel C, and the Stormwater Management System. Marcello Drive and Cisella Drive shall comprise a Common Facility until such time as accepted for dedication by the Township. Sanitary sewer lines and water lines located beyond the boundaries of a Lot shall comprise Common Facilities until such time as any portion of such sanitary sewer and water lines are accepted for dedication by Norwegian Township and Schuylkill County Municipal Authority, respectively.

Controlled Facilities shall consist of the Stormwater Management System, including but not limited to, underground stormwater conveyance pipes, inlets, rain gardens and other components within Lots which are maintained by the Association. The common sidewalks located within the right of way of Marcell Drive and/or Cisella Drive, upon dedication of such right of way to the Township, shall also comprise Controlled Facilities.

Article IV of the Declaration describes various easements to which the Units, Common Facilities, and Controlled Facilities will be subject. Easements are created to facilitate the ongoing development of the Property. The Declaration specifically reserves an easement over the entire Property for access by the Declarant, Association, Township, and their respective agents, employees, independent contractors and assigns, to maintain the Common Facilities and Controlled Facilities, including, but not limited to, the Stormwater Management System; to maintain utility and service lines and equipment; and to maintain and correct drainage of surface water.

Article V of the Declaration specifies that every Unit Owner is a member of the Association and explains how and when a membership interest shall be transferred. Members shall receive one (1) vote for each Unit in which they hold the interest required for membership. If there are co-owners to a Unit, all co-owners shall be Members but only one such co-owner shall be entitled to exercise the vote to which the Unit is entitled.

Article VI of the Declaration describes certain restrictions which are applicable to the use and occupancy of Units and Common Facilities. Each Unit shall be used as a residence for a single family dwelling and for no other purpose unless otherwise permitted within the Declaration and by the applicable Township Zoning Ordinance. Restrictions include, but are not limited to, restrictions

against noxious activities, certain signage, parking in certain portions of the Community, restrictions against the parking of certain types of vehicles, and restrictions against interfering with natural draining patterns. No firewood shall be stored in the front yard of any Unit and no above-ground swimming pools shall be placed in any Unit. Tents, temporary in nature, shall be permitted in rear and side yards only and for not more than fourteen (14) consecutive days. No structure of a temporary character, trailer, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence either temporarily or permanently. Any fence which is installed must comply with local ordinances and shall consist of vinyl (clay, almond or white in color) or metal (black or brown in color) and shall not exceed five feet (5') in height. No chain link fences shall be permitted. No solar panels or similar installations may be made unless specifically authorized by the Architectural Committee. Only one satellite dish shall be permitted per Unit, provided, however, that such satellite dish may not be placed in the front of any Unit, shall be subject to review and approval of location by the Architectural Committee, and cannot be greater than thirty-nine inches (39") in diameter. Generally, the restrictions stated in this Article are not applicable to the Declarant, its successors or assigns, and may not be applied in any manner to prevent the completion of improvements or the construction of dwellings on Units.

Article VII of the Declaration creates the Executive Board which will run the Association. The Executive Board will have the power to appoint and delegate to committees, to hire and/or remove managers or other professionals that assist in operating or maintaining the Community, to pay any amount necessary to discharge encumbrances levied against any part of the Property, to abate or enjoin any violations by Unit Owners, and to address and determine disputes between Unit Owners.

Article VIII of the Declaration provides the mechanism by which the Association shall establish assessments to collect from each Unit Owner sufficient funds to support the annual budget of the Association. Each Unit shall be equally assessed. Each Unit Owner agrees to pay to the Association an annual Assessment for Common Expenses, Special Assessments, and Limited Common Assessments. Unit Owners are subject to interest, late charges, costs, fees and/or liens for unpaid assessments. All utilities provided to the Units shall be separately metered and will be billed directly to Unit Owners and will be each Unit Owner's sole obligation to pay. Every Unit Owner shall, at the time of such Unit Owner's purchase of the Unit from the Declarant, pay to the Association the sum of \$100 as an initiation fee.

Article IX details the respective maintenance and repair obligations of Unit Owners and the Association. Generally, Unit Owners shall be responsible to maintain and repair the Unit in a neat, safe, sanitary and attractive condition, in good order and repair, and in accordance with all applicable restrictions, conditions, ordinances, codes and any rules and regulations which may be applicable under this Declaration or under law. Each Unit Owner shall also be responsible for maintaining the entire exterior of the Unit, including but not limited to, stone, stucco, siding, soffits, trim, fascia, shutters, paint, windows, decks, gutters and downspouts, roofs, patios, driveways and service walks. Each Unit Owner shall be responsible for mowing lawns, turf application, pruning and replacement of plant material as well as properly watering the lawn area; this requirement shall be particularly applicable after the initial planting/sodding of lawns and landscaping and in periods of insufficient rainfall. Each Unit Owner shall be responsible for maintenance of, including snow removal from, driveways and walkways within Units as well as the portion of the common sidewalk located immediately adjacent to the Unit.

The Association shall maintain the Common Facilities and Controlled Facilities in good order and repair. The Association will be responsible for mowing lawns, turf application, annual edging and mulching, pruning and replacement of plant material in the Common Facilities. The Association will be responsible for maintaining the portions of the Stormwater Management System located within the common open space as a Common Facility and shall be further responsible for maintaining swales, rain gardens or other components of the Stormwater Management System, located within each Unit.

The Association shall maintain the Stormwater Management System in accordance with the Post-Construction Stormwater Management Plan and any maintenance agreements with the Township. The Declaration and the Post-Construction Stormwater Management Plan lists the specific maintenance and inspection responsibilities applicable to the various components of the Stormwater Management System. Such components and responsibilities include the following:

1. Inspection and cleaning of catch basins and inlets at least two times per year and after runoff events;
2. Maintaining the vegetation along the surface of the infiltration basin, including the re-vegetation and mulching of any bare spots;
3. Preventing vehicle parking and/or driving on the infiltration basin, and avoiding excessive compaction by mowers;
4. Inspecting the basin after runoff events and making sure that runoff drains down within 72 hours;
5. Inspecting for accumulation of sediment, damage to outlet control structures, erosion control measures, signs of water contamination/spills, and slope stability in the berms;
6. Mowing only as appropriate for vegetative species;
7. Removing accumulated sediment from basin as required, restoring original cross section and infiltration rate, and properly disposing of sediment.

Article X of the Declaration details the insurance to be carried by the Association. This insurance is in addition to the insurance which will be carried by the individual Unit Owners on the individual Units. No Unit Owner shall do or permit any act which would void or impair the coverage afforded by any policies held by the Association, or would result in an increase in the premium for the Association.

Article XI of the Declaration contains provisions regarding protection of anyone who holds a mortgage on any Unit. The mortgagee is entitled to notice and right of approval on certain substantial amendments to the Declaration if they should occur.

Article XII of the Declaration contains provisions limiting the liability of the Executive Board and appointed Committee Members and providing that such member(s) of the Executive Board and Committee Members will be indemnified by the Association except for acts of willful misconduct or gross negligence in the performance of their duties.

Article XIII of the Declaration establishes the architectural control of the Association and an architectural review and inspection process for any exterior construction, alteration or modification of a Unit. Under certain terms and circumstances, the Executive Board may authorize variances and reasonable accommodations from compliance with this Article.

Article XIV of the Declaration establishes that the every Unit Owner, occupant or mortgagee is subject to the provisions in the Community Documents and shall comply with all such document provisions. All such provisions shall be covenants running with the land and shall bind any person having at any time any interest or estate in a Unit. Additionally, this Article explains the process of how the Declaration may be amended by the Unit Owners. The Declaration reserves the right to create additional Units, Common Facilities and Controlled Facilities within Convertible Real Estate and to create additional Units and Common Facilities, subject to the limitation of twenty-three (23) additional Units may be constructed within the Convertible Real Estate, with each building constituting a separate phase of additional Units added, and a lapse upon completion of construction of the buildings containing the twenty-six (26) Units or 10 years after the date of recording of the Declaration. The Declaration also reserves the right to add certain areas of land in the vicinity of the Property as Additional Land to the Community. Upon the addition of the Additional Land and the creation of Units within the Additional Land, the Unit Owners within such Additional Land shall become Unit Owners in the Community, entitled to, and bound by, all of the rights and obligations of Unit Owners contained within the Declaration.

Article XV of the Declaration provides the mechanism for turnover of control of the Executive Board from the Declarant to the individual Unit Owners, and provides for the enforcement of the Community Documents by the Association, any Unit Owner or the Township.

A copy of the Declaration is attached hereto as Exhibit "A".

b. **Bylaws.** The Bylaws are the rules for governance of the Community Association, which all Unit Owners are members, and which serve the same purpose as the Bylaws of a corporation.

Article II of the Bylaws provides for the registered office of the Association.

Article III of the Bylaws is reserved for future additions to the Bylaws.

Article IV of the Bylaws discusses the membership in the Association and meetings of the Association.

Articles V and VI of the Bylaws provide for the management of the Association by an Executive Board and the mechanism for nominating and electing an Executive Board. The Bylaws provide for the Association to be managed by a three-person Executive Board.

Article VII describes the powers and duties of the Executive Board.

Article VIII discusses the election of specific officers of the Association and the powers of the respective officers.

Article IX sets forth the provisions for the filling of vacancies which occur in the Executive Board.

Article X mandates the Association to keep accurate books and records on the activities of the Association.

Article XVII establishes the Association's right to levy assessments.

Article XVIII establishes a procedure for alternate dispute resolution.

Articles XIX and XX provide for the amendment to the Bylaws.

A copy of the Bylaws is attached hereto as Exhibit "B"

c. **Rules and Regulations.** The Declaration provides that the Executive Board may adopt reasonable Rules and Regulations.

PROSPECTIVE PURCHASERS ARE REMINDED THAT THE ABOVE IS ONLY A SUMMARY OF THE COMMUNITY DOCUMENTS. PURCHASERS ARE URGED TO REVIEW THE COMMUNITY DOCUMENTS IN THEIR ENTIRETY.

Association Budget

A projected budget prepared by Declarant for the first year of operation of the Community is attached as Exhibit "C" to this Public Offering Statement. It is impossible to predict how costs will change between the effective date of this Public Offering Statement and the date of the first conveyance of a Unit and therefore, the budget must necessarily be subject to change in the future.

However, Declarant believes that the current version of the budget is based upon the most reasonable cost estimates that can be made at this time on the basis of information currently available. In preparing the budget, Declarant assumes that the cost of operation would continue to increase at the present inflation rate for such costs. As the Association has not yet been formed, no balance sheet for the Association is available.

Based on the budget, a projected Common Expense assessment is \$250 per year for each Unit.

There are no services not reflected in the budget that Declarant currently provides or will provide or expenses which Declarant pays or will pay that Declarant presently expects may become Common Expenses in the future.

Structural Components

All structural components of the improvements which the Declarant will cause to be constructed on the Units, as well as the utility installations in the Community, will be installed as new, with the exception of previously installed installations and structural components related to the previously existing dwellings and structures in the Community. The structural components of the newly constructed Units include the foundation system and footings, beams, girders, lintels, columns, walls and partitions, roof framing systems, roofing and sheathing. The major utility installations include sewer and water lines and the Stormwater Management System components. The anticipated useful life of the Stormwater Management System is 30+ years, with a budgeted replacement cost of \$275,000 (current dollars). The information provided is only a good faith current estimate of the Declarant based on the Declarant's familiarity with the construction of homes and development of lots, and is not a warranty or representation of any kind. The useful life of the structural components and utility installations may decrease depending upon weather conditions, maintenance, misuse and other factors outside of the Declarant's control.

Title Matters

The Community will be subject to:

a. The Declaration of Community as recorded, and conditions disclosed by the Plans, as recorded, the Bylaws and the Rules and Regulations, as each of them may be amended as provided therein;

b. Statutory easements granted by the Uniform Planned Community Act, including, but not limited to, (i) easements for structural support, (ii) easements for encroachments; (iii) an easement in favor of Declarant through the Common Facilities, as may be reasonably necessary for the purpose of discharging Declarant's obligations or exercising Declarant's rights; and (iv) an easement in favor of Declarant to maintain sales office, management offices and models in the Community;

c. Easements and Restrictions described in Article IV of the Declaration including, but not limited to

(i) Easements in favor of the appropriate utility companies to serve the Property and all appurtenances thereto;

(ii) Easements in favor of the Unit Owners, the Association and their invitees, employees, tenants and servants for access, egress and ingress over, through and across each portion of the Common Facilities pursuant to such requirements, as the Executive Board may from time to time prescribe;

(iii) An easement in favor of Association to inspect, maintain, repair and replace the Common Facilities;

(iv) Easements in favor of the Township for maintenance of the Common Facilities, if needed;

d. The matters of record, to the extent they continue to affect the Community as set forth in Section 1.2 of the Declaration.

Warranties

Declarant offers the limited warranty expressly required by Section 5411(b) of the Uniform Planned Community Act relating to Units and Common Facilities. As defined in the Community Act, the term "structural defects" means "those defects in components constituting any Unit or Common Element which reduce the stability or safety of the structure below accepted standards or restrict the normal intended use of all or part of the structure and which require repair, renovation, restoration or replacement." The Declarant warrants against structural defects in the Units and Common Facilities for a period of two (2) years. As to each Unit, the two-year warranty shall begin on the day each Unit is conveyed to a purchaser. As to Common Facilities, the warranty shall begin at the time the first Unit in the Community is conveyed to a purchaser by the Declarant.

In addition to the limited warranty required by Section 5411(b) of the Uniform Planned Community Act, Declarant offers each original purchaser a limited one (1) year warranty on the building components identified in the "Grande Construction Company 1 Year Warranty," attached as Exhibit "D", covering material defects in heating, plumbing, air conditioning, electrical, roofing or major structural systems of the house according to the terms, limitations, and conditions of the warranty.

THE DECLARANT OFFERS NO OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE DECLARANT IS NOT RESPONSIBLE FOR ANY ITEMS OF MAINTENANCE RELATING TO THE UNITS. WITH THE SOLE EXCEPTION OF THE WARRANTIES DESCRIBED IN THIS SECTION AND IN THE AGREEMENT OF SALE, THE DECLARANT IS SELLING THE UNITS AND ANY PERSONAL PROPERTY IN THE UNITS IN ITS THEN "AS-IS AND WHERE-IS" CONDITION. THE DECLARANT DISCLAIMS ALL IMPLIED WARRANTIES APPLICABLE TO ANY UNIT OR COMMON FACILITIES TO WHICH THE WARRANTY UNDER SECTION 5411 OF THE ACT APPLIES.

Judgments and Lawsuits

There are no outstanding and uncured notices of violations of any governmental requirements. There are no lawsuits pending against the Community of which Declarant has any knowledge.

Restraints on Transfer

There are no restraints on transfer of any portion of the Community. As noted above, however, any mortgage on an individual Unit is subject to the provisions of the Community Declaration. Unit Owners will be responsible for providing their own mortgage financing and Declarant shall have not responsibility to provide the same. Declarant does not intend to rent Units or dwellings to investors or to market blocks of Units or dwellings to investors at this time. Declarant may sell lots to other builders although it does not intend to do so at this time.

Insurance Coverage

The Executive Board will obtain the following insurance to protect the Association, and to a certain limited extent the Unit Owners as individuals:

1. Casualty insurance covering the Common Facilities and Controlled Facilities in the amount of not less than 100% of the current replacement costs;
2. Liability insurance not less than \$1,000,000 per occurrence covering the Common Facilities and Controlled Facilities;
3. Workers' compensation insurance;
4. Fidelity insurance.

The cost of this insurance will be part of the Common Expenses. Since the insurance to be obtained by the Executive Board does not protect Unit Owners against liability for accidents occurring within their Units, or cover loss or damage to Unit improvements, furniture and other personal property installed by Unit Owners, Unit Owners are advised to purchase their own community homeowners' insurance.

The Executive Board may, in the exercise of reasonable business judgment, purchase such additional insurance as it determines to be necessary.

Common Improvements

The Stormwater Management System and other Common Facilities and Controlled Facilities listed in Article III of the Declaration must be built. Financial security has been posted with the Township in an amount sufficient to insure the completion of these improvements. No fees are

intended to be paid for use of the Common Facilities other than the assessments charged as part of the Association budget for the ongoing maintenance of the Common Facilities.

Hazardous Conditions

Declarant has no knowledge of hazardous conditions on the Property, such as contamination by hazardous substances, hazardous waste or the like or the existence of underground storage tanks or petroleum products or other hazardous substances. On July 16, 2003, a Phase I Environmental Site Assessment was performed at certain areas of the Property, but no recognized environmental conditions were identified. Any purchaser requiring additional information regarding hazardous substances may contact the following agencies:

Pennsylvania Department of Environmental Protection
Northeast Regional Office

Wilkes-Barre, PA 18701

Purchase of Unit

A form of the agreement of sale is attached hereto as Exhibit "E". Each purchaser should examine his or her own Agreement of Sale carefully, because that document will define the various rights, duties and obligations of Declarant and that purchaser with respect to the specific Unit being purchased.

Declarant may at any time increase or reduce the selling price for the unsold Units in the Community; modify the terms and conditions of sale; and make, grant or cease to make or grant discounts or concessions. Of course, no change in prices, terms or conditions will affect Agreements of Sale executed by Declarant before such changes are made.

Escrow

Any deposit made in connection with the purchase of any Unit from the Declarant will be held in an escrow account in accordance with the provisions of Section 5408 of the Uniform Planned Community Act. If the purchaser cancels the contract pursuant to Section 5406 of the Uniform Planned Community Act, said deposit shall be returned to the purchaser.

Amendments

This Offering Statement is subject to change without notice in order to reflect any material changes in the information set forth herein or as otherwise required by the Uniform Planned Community Act. Declarant will mail copies of all such amendments to any persons who are parties to valid and binding Agreements of Sale respecting any Unit or Units.

ANY INFORMATION OR DATA REGARDING THE COMMUNITY NOT INCLUDED IN THIS PUBLIC OFFERING STATEMENT MUST NOT BE RELIED UPON. NO PERSON HAS BEEN AUTHORIZED BY DECLARANT TO MAKE ANY REPRESENTATION OR WARRANTY NOT EXPRESSLY CONTAINED HEREIN AND THIS OFFERING STATEMENT MAY NOT BE CHANGED OR MODIFIED ORALLY.

**DECLARATION
OF
GRANBURY MANOR ESTATES PLANNED COMMUNITY**

THIS DECLARATION is made on this 18th day of January, 2022, by GRANDE LAND LP (hereinafter referred to as "Declarant").

WITNESSETH:

ARTICLE I. PROPERTY; DEFINED TERMS

Section 1.1 Submission of Property. This Declaration is made pursuant to the provisions of the Pennsylvania Uniform Planned Community Act, Act 180 of 1996, Title 68, Pa. C.S.A. Section 5101 et seq. (the "Act") for the purpose of submitting to the provisions of the said Act, the property described in Article II hereof, located in Norwegian Township, Schuylkill County, Pennsylvania as more particularly described in Exhibit "A" (the "Property"), together with all buildings, structures, improvements and other permanent fixtures of whatsoever kind now erected or to be erected thereon, owned by Declarant in fee simple together with all easements, rights and appurtenances belonging thereto. Declarant hereby creates with respect to the Property a Planned Unit Community to be known as the Granbury Manor Estates Planned Community (the "Community").

Section 1.2 Easements and Licenses. The Property is submitted under and subject to the matters of record listed on Exhibit "B" attached hereto and made a part hereof, only to the extent such matters continue to affect the Property, the Declarant expressly disclaiming any intent to revive or extend any such matters which do not presently affect the Property.

Section 1.3 Defined Terms. Capitalized terms not otherwise defined herein or in the Plats and Plans shall have the meanings specified or used in the Act. The following terms used or defined in general terms in the Act shall have the specific meaning herein as follows:

A. "Assessments" means a Unit's individual share of the anticipated expenses of the Association for each fiscal year as reflected in the budget adopted by the Executive Board for such year.

A. Declarant expressly reserves for itself, its successors and assigns, an easement for access, ingress and egress over the Common Facilities and Controlled Facilities for the purpose of connecting to existing storm and sanitary sewer lines, water lines and other utilities and for the purpose of installation, replacement and maintenance of such utility and service lines and systems as Declarant may in the future install and connect with the aforesaid utility lines, such additional utility lines to service any future development by the Declarant of Units and Common Facilities.

Section 4.5 Declarant Easement to Correct Drainage. Declarant reserves an easement on, over and under those portions of the Common Facilities and Units not located within a building for the purpose of maintaining and correcting drainage of surface water in order to maintain reasonable standards of health, safety and appearance. If the required corrective action is not taken within the specified time limit, the Township shall have the right, but not the obligation, to perform the required work. In the event the Township shall undertake such maintenance, the Township may assess the Association its proportionate share for any expense in undertaking such maintenance. Nothing herein, however, shall obligate the Township to perform maintenance obligations on behalf of the Association and/or Declarant. Upon failure of the Association to reimburse the Township within forty-five (45) days of receipt of invoice from the Township, Township shall have the right to pursue all available legal remedies to recover all expenses incurred in the performance of said work for labor, equipment, supplies and reasonable administrative fees relating to such work. Upon failure of the Association to reimburse for the cost of such work, the Township may place a municipal lien against all Lots.

Section 4.7 Binding Effect. All easements and rights described and mentioned herein are easements appurtenant, running with the land, the Units, Common Facilities and Controlled Facilities and shall be in full force and effect for the life of this Declaration, as amended, and at all times shall inure to the benefit of and be binding upon the Declarant, its successors and assigns, the Association, the Executive Board and any Unit Owner, purchaser, Permitted Mortgagee, lessee or other person having an interest in the land or any Units, Common Facilities, Controlled Facilities or portions thereof.

The Executive Board shall have the right to charge a reasonable Limited Common Assessment against any Unit Owner, and such Unit Owner's Unit, equal to the cost to the Association of effectuating any such transfer of membership upon the books of the Association.

Section 5.3 Vote Distribution. Members shall be entitled to one (1) vote for each Unit in which they hold the interest required for membership. When more than one person holds such interest or interests in any Unit, ("co-owner"), all such co-owners shall be Members and may attend any meetings of the Association, but only one such co-owner shall be entitled to exercise the vote to which the Unit is entitled.

No loud noises or noxious odors shall be permitted on the Property, and the Executive Board shall have the right to determine in accordance with the Bylaws if any noise, odor or activity producing such noise, odor or interference constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smokey vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles or other items which may unreasonably interfere with television or radio reception of any Unit Owner in the Property, shall be located, used or placed on any portion of the Property, or exposed to the view of other Unit Owners without the prior written approval of the Executive Board.

6.1.5 Declarant Exemption. Declarant or its successors or assigns will undertake the work of constructing Units and developing all of the Lots and Common Facilities included within the Property. The completion of that work and sale, rental and other disposal of Units is essential to the establishment and welfare of said property as a residential community. As used in this Section and its subparagraphs, the words "its successors and assigns" specifically do not

include purchasers of Lots improved with completed Units. In order that said work may be completed and the Community be completed and established as a fully occupied residential community as rapidly as possible, no Unit Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

6.1.6 Sales Models. Declarant, reserves the right pursuant to Section 5217 of the Act to maintain offices and models in the Common Facilities portion of the Community in connection with the management of, sale or rental of Units owned by the Declarant in the Community or other developments owned by the Declarant or an affiliated entity. Nothing shall be done or kept in the Property which will increase the rate of insurance on any property insured by the Association without the approval of the Executive Board, nor shall anything be done or kept in the Property which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

6.1.8 Drainage. There shall be no interference by any Unit Owner with the established drainage pattern over any Common Facilities or Units within the Property. For the purposes hereof, "established" drainage is defined as the drainage which exists at the time the overall grading of any Lot is completed by Declarant in accordance with the Record Plan referred to above.

There shall be no restriction on the sale, conveyance or other transfer of title to any Unit, but any sale, conveyance or other transfer shall be subject to the Act, this Declaration, the Bylaws, and the Rules and Regulations of the Association. No garbage containers, trash cans or other refuse containers shall be kept in front of or beside any Unit for a period in excess of twenty-four (24) hours before or after the day or days of regularly scheduled pickup.

6.1.11 Accessory Structures. No structure of a temporary character, trailer, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence either temporarily or permanently. Any fence which is installed must comply with local ordinances and shall consist of vinyl (clay, almond or white in color) or metal (black or brown in color) and shall not exceed six feet (6') in height. No chain link fences shall be permitted.

1. Only one satellite dish shall be permitted per Unit, provided, however, that such satellite dish may not be placed in the front of any Unit and shall be subject to review and approval of location by the Architectural Committee.

2. No satellite dish may be greater than thirty-nine inches (39") in diameter.

3. No antenna shall be installed on the exterior of any Unit unless a Unit Owner can demonstrate that it cannot receive a reasonably acceptable signal with internal installation.

4. Any external installation shall be colored to match the surrounding or background structure. No exposed wiring shall be placed on the exterior of any Unit.

5. No structure may be installed by a Unit Owner in the Common Facilities.

The Association shall have the right to establish additional Rules and Regulations as to location and screening of any externally placed signal receptor.

6.1.13 Leasing of Units. Except as expressly provided in this Section, there shall be no restrictions on the leasing of Units. No transient tenants may be accommodated in any Unit, and no Lease shall be for less than a whole Unit. No Unit, except those owned by Declarant or Builder, may be leased for an initial term of less than one (1) year. Each Lease shall be in writing and shall provide the terms of the Lease, shall be subject in all respects to the provision of the Act, this Declaration, the Bylaws and the Rules and Regulations of the Association, and that any failure by the Lessee to comply with the terms of such documents shall be an event of default under the Lease. The Association shall be a third party beneficiary of such covenants in any Lease and shall have the right to enforce them. A copy of any signed Lease shall be furnished to the Executive Board within ten (10) days after execution thereof. A Unit Owner shall not engage in the leasing of the Unit except after having the lessee execute a lease which contains the following provisions:

"Lessee hereby agrees to be bound by all terms and conditions contained in the Declaration of Granbury Manor Estates Planned Community, Bylaws and Rules and Regulations of the Association as the same shall apply to the Unit leased hereunder, and agrees to assume all duties and responsibilities and be jointly and severally liable with the Unit Owner for all of the liabilities and for the performance of all of the obligations applicable to the Unit Owners under the Act, the Community documents or otherwise during the term of the Lease. Lessee further agrees that he shall not sublet or assign this Lease except with the approval and consent of the Lessor. Lessee agrees that in the event Lessor fails to pay any assessments, Lessee will be responsible for payment of assessments."

6.1.14 Rules and Regulations. Rules and Regulations not in conflict with the provisions of this Declaration, concerning the use and enjoyment of the Property may be promulgated from time to time by the Executive Board, subject to the right of the Association to change such Rules and Regulations. Copies of then-current Rules and Regulations and any amendments thereto shall be furnished to all Unit Owners by the Executive Board promptly after the adoption of such Rules and Regulations or any amendments thereof.

ARTICLE VII EXECUTIVE BOARD OF THE ASSOCIATION

Section 7.1 Powers of the Executive Board. In addition to the powers set forth in the Act, the Executive Board shall have the following additional powers:

(a) To appoint committees of the Executive Board (which need consist of only one (1) Board Member) and to delegate to such committees the Executive Board's authority to carry out certain duties of the Executive Board, subject to the approval and control of the Executive Board.

(b) To engage the services of any persons (including, but not limited to, accountants and attorneys) deemed necessary by the Executive Board at such compensation as is deemed reasonable by the Executive Board, in the operation, repair, maintenance and management of the Property, or in connection with any duty, responsibility or right of the Executive Board and to remove, at any time, any such personnel. The Executive Board may hire a professional community manager to assist the Executive Board in operating the Association and in maintaining the Common Facilities.

(c) To pay any amount necessary to discharge any mechanic's lien or other encumbrance levied against the Property or any part thereof which may in the opinion of the Executive Board constitute a lien against the Property or against the Common Facilities, rather than merely against the interest therein of particular Unit Owners. Where one or more Unit Owners are responsible for the existence of such lien, they shall be jointly and severally liable for the cost of discharging it and any costs incurred by the Executive Board by reason of said lien or liens shall be specially assessed to said Unit Owners.

Section 7.2 Abating and Enjoining Violations by Unit Owners. Abating and Enjoining Violations by Unit Owners. The violation of any of the Executive Board Rules and Regulations adopted by the Executive Board, the breach of any provision contained herein or the breach of any provision of the Bylaws or the Act shall give the Executive Board the right, in addition to any other rights: (1) to enter the Unit in which, or as to which, such violation or breach exists and summarily to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Executive Board shall not thereby be deemed guilty in any manner of trespass; or (2) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

ARTICLE VIII ASSESSMENTS

Section 8.1 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Unit owned by it within the Property, hereby covenants, and each Unit Owner of any Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) annual Assessments for Common Expenses, (2) Special Assessments and (3) Limited Common Assessments; such assessments to be established and collected as hereinafter provided. Each such assessment, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the Unit Owner of such Unit at the time when the assessment fell due. Subject to provisions of this Declaration protecting first Mortgagees, the personal obligation for delinquent assessments shall pass to the successors-in-title of such Unit Owner. The Executive Board shall establish one (1) or more separate accounts into which shall be deposited all assessments paid to the Association,

and from which disbursements shall be made, as provided herein, in the performance of functions by the Association under the provisions of this Declaration.

Section 8.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the common health, safety, benefit, and welfare of the Unit Owners and for the improvement and maintenance of the Common Facilities and improvements on the Common Facilities, including but not limited to the open space and the Stormwater Management System, as well as the Controlled Facilities.

Section 8.3 Damage to Common Facilities by Unit Owners. Any maintenance, repairs or replacements within the Common Facilities and/or Controlled Facilities arising out of or caused by the willful or negligent act or omission of the Unit Owner, and such Unit Owner's family, guests or invitees shall be done at said Unit Owner's expense or a Limited Common Assessment therefor shall be made against such Unit Owner's Lot; provided, however, that the liability of an individual Unit Owner for such damage to the Common Facilities and/or Controlled Facilities shall not be absolute, but shall only be that for which the Unit Owner is legally responsible under the laws of the Commonwealth of Pennsylvania.

Section 8.4 Basis of Assessment. The Executive Board shall periodically (and in no event less than annually), determine the estimated Common Expenses for the ensuing period (of not more than one year) including any reserves it deems advisable, and the Common Expenses incurred and the assessments and other receipts, if any, received during the prior period. Promptly following each determination of the Common Expenses theretofore incurred (and not theretofore assessed) and of budgeted estimated future Common Expenses, the Executive Board shall assess and collect from each Unit Owner (including Declarant with respect to any Unit owned by Declarant on the assessment date for which a certificate of occupancy has been issued by Township) and each such Unit Owner agrees to pay the Association a share of such incurred and estimated Common Expenses as set forth in Section 8.10 of this Article VIII.

Section 8.5 Periodic Payments. All Assessments made in order to meet the requirements of the Association's annual budget shall be payable in periodic installments as determined by the Executive Board. All Assessments made in order to meet the requirements of the Association's annual budget shall commence and be due and payable as of the date of settlement by the Unit Owner on the Unit, with the Assessment for the current periodic installment being prorated as of the date of settlement. The pro rata portion of the Assessment due for the current periodic installment may be collected by the Association at settlement and the Association may also collect in advance of the next periodic installment due following settlement.

Section 8.6 Surplus. The budget of the Association shall segregate capital expenses from Common Expenses. Any amounts accumulated from Assessments for Common Expenses and income from the operation of the Common Facilities to which such Common Expenses pertain in excess of the amount required for actual Common Expenses may be reserved for future capital expenses at the discretion of the Executive Board. Any amounts accumulated in excess of the amounts required for actual Common Expenses and reserves for future capital expenses may, at the discretion of the Executive Board, be credited to each Unit Owner in accordance with its proportionate Common Expense liability, said credits to be applied to the next monthly

assessment of general common expenses due from Unit Owners under the current fiscal year's budget and thereafter until exhausted. The Executive Board shall determine the application of such excess funds.

Section 8.7 Capital Expense. The Association shall establish an adequate capital expense fund for major repair and replacement of those Common Facilities which are anticipated to require replacement, repair or major repair on a periodic basis. The capital expense fund shall be funded by quarterly payments as a part of the Common Expenses or as determined by the Executive Board.

Section 8.8 Special Assessments. Such further assessment shall be payable in such monthly installments as the Executive Board may determine. The Executive Board shall serve notice of further assessment on all Unit Owners by a statement in writing giving the amount and reasons therefor, and such further assessment shall become effective and shall be payable at such time or times as determined by the Executive Board.

If the Executive Board shall change the assessment at a later date, such new assessment shall be treated as if it were a Special Assessment under Section 8.8 hereof.

Section 8.10 Rate of Assessment. Assessments provided for shall be assessed against Units equally and the share of each Unit shall be determined by taking the total amount of the Common Expenses and multiplying by a fraction the numerator of which is the number one and the denominator of which is the total number of Units subject to this Declaration. Until such time as the denominator is 90% of the Units projected for the Property, it shall be assumed that the denominator is 90% of the Units projected for the Property.

Section 8.11 Nonpayment of Assessments. Any installment of an Assessment, a Special Assessment or Limited Common Assessment not paid when due shall bear interest from the due date of such installment at the rate of fifteen percent (15%) per annum. If a Unit Owner is in default of a payment of any Assessment, Special Assessment or Limited Common Assessment for thirty (30) days, the Executive Board may, in addition to all other remedies in the Act or Declaration, accelerate all other payments of Assessments, Special Assessments or Limited Common Assessment due for the following twelve (12) months. The Executive Board may establish late charges for payments which are not received promptly from Unit Owners.

The Association may also insure against any other property, whether real or personal, owned by the Association, against the loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Facilities and Controlled Facilities shall be written in the name of, and

the proceeds thereof shall be payable to, the Association. The insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the annual assessment made by the Association. In the event of damage to or destruction of any part of the Common Facilities and/or Controlled Facilities, the Association shall repair or replace the same from the insurance proceeds available. The Executive Board may determine the appropriate deductible applicable to such policy. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may levy a Special Assessment against all Unit Owners to cover the additional costs of repair or replacement not covered by the insurance proceeds.

Section 10.2 Liability Insurance to be Carried by Association. Commencing not later than the time of the first conveyance of a Unit to a person other than the Declarant, the Association shall maintain, to the extent determined by the Association, but in no event less than \$1,000,000 per occurrence, comprehensive general liability insurance coverage on all Common Facilities of the Property covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Common Facilities. Liability insurance shall include medical payments insurance.

Section 10.3 Additional Endorsements. All policies obtained pursuant to the provisions of this subsection shall: (i) provide that the Association or its authorized representative shall be the sole adjuster of any losses; (ii) contain waivers of all rights of subrogation; (iii) provide that the coverage afforded to any insureds shall not be affected by the acts or omissions of any one or more other insureds; and (iv) provide that such policy shall not be cancelled or modified without thirty (30) days' prior written notice to all whose interests are covered thereby. Each policy shall designate that insurance proceeds for the loss shall be payable to the Association and not to any mortgagee, and shall otherwise comply with the provisions of Section 5312 of the Act.

Section 10.4 Other Insurance. The Association shall maintain workers' compensation insurance and employer's liability as required by law for any employees of the Association. The Association shall maintain directors and officers liability insurance, to the extent reasonably available.

Section 10.5 Fidelity Insurance. Unless the funds of the Association are handled by a professional manager, the Association shall maintain blanket fidelity insurance for anyone who either handles or is responsible for funds held by or administered by the Unit Owners Association, whether or not said individual has received compensation for their services. The Association insurance shall name the Association as the obligee and the premium shall be paid as a common expense by the Association. Any management agent that handles funds for the Association shall be covered by its own fidelity insurance which shall provide the same coverages as required of the Association. The fidelity insurance obtained shall cover the maximum funds that will be in custody of the Association or its management agent at any time while the insurance is enforced. In addition, the fidelity insurance coverage shall at least equal the sum of three (3) months assessment on all Units in the Community, plus the Associations reserved fund. Said fidelity insurance shall include a provision requiring thirty (30) days written

notice to the Association or to each holder of a mortgage on an individual Unit in the Community before the insurance can be canceled or substantially modified for any reason.

Section 10.6 Waiver and Release. Subject to the provisions of this Article X, each Unit Owner and the Executive Board hereby waives and releases any and all claims which he or it may have against any other Unit Owner, the Association, the Executive Board and members thereof, the Declarant and its respective employees and agents, for damage to the Common Facilities, the Units or to any personal property located in the Units or Common Facilities, caused by fire or other casualty or any act or omission of any such party to the extent that such damage is covered by fire or other form of hazard insurance. Such release or waiver shall be valid only if such release or waiver does not affect the right of the insured under the applicable insurance policy to recover thereunder. In no event shall insurance obtained and maintained by the Association and by individual Unit Owners be the subject of any action for contribution.

Section 10.7 Extended Insurance. The Association may, but is not obligated, to maintain property insurance on a so-called "all risk" basis covering all real property of the Unit Owners, including the Common Facilities. The coverage of such insurance shall be at the discretion of the Executive Board and the premium for such insurance shall be assessed as a Common Expense. The proceeds of such insurance shall be payable to the Association to restore any damage to any Unit or Common Facilities, with any excess being retained by the Association.

Section 10.8 Insurance Maintained by Unit Owners. Unless the Association undertakes to maintain all risk insurance pursuant to Section 10.7 above, each Unit Owner will be responsible for the purchase and payment of insurance to protect on a so-called "all risk" basis of the Unit, any improvement made to the Unit, personal property, and all personal liability not provided for above. Unit Owners may also obtain insurance coverage for the deductible carried by the Association.

No Unit Owner shall do or permit any act which would void or impair the coverage afforded by any policies held by the Association or would result in an increase in the premium therefor; and any Unit Owner so doing or permitting any such act shall be liable to the Association for any such increase which shall be assessable as a Common Expense exclusively against such Unit Owner pursuant to the assessment provisions of this Declaration.

ARTICLE XI MORTGAGE PROTECTION CLAUSE

Notwithstanding any and all provisions hereof to the contrary, in order to induce the Federal Home Loan Mortgage corporation ("FHLMC"), the Government National Mortgage Association ("GNMA") and the Federal National Mortgage Association ("FNMA") the Federal Housing Authority ("FHA"), the Veterans Administration ("VA") and other governmental and quasi-governmental agencies to participate in the financing of the sale of Units within the Property, the following provisions are added hereto and to the extent these added provisions conflict with any other provisions of the Declaration, these added provisions shall control:

A. Each first Permitted Mortgagee of a Mortgage encumbering any Unit, at its written request, is entitled to written notification from the Association of any default by the

Mortgagor of such Unit in the performance of such Mortgagor's obligations under this Declaration, the Articles of Incorporation of the Association or the Bylaws of the Association, which default is not cured within thirty (30) days after the Association learns of such default.

B. Each first Permitted Mortgagee of a Mortgage encumbering any Unit which obtains title to such Unit pursuant to the remedies provided in such Mortgage or by foreclosure of such Mortgage, or by deed in lieu of foreclosure, shall take title to such Unit free and clear of any claims of unpaid Assessments or charges against such Unit which accrued prior to the acquisition of title to such Unit by the Permitted Mortgagee, subject to the provisions of Section 5315 of the Act.

C. Unless at least sixty-seven percent (67%) of Unit Owners (other than Declarant) have given their prior written approval, neither the Association nor the Unit Owners shall:

(1) by act or omission seek to abandon, partition, alienate, subdivide, release, hypothecate, encumber, sell or transfer the Common Facilities and the improvements thereon which are owned by the Association (the granting of easements for public utilities or for other public purposes consistent with the intended use of such property by the Association or the transfer of the Common Facilities to an unincorporated association of the Unit Owners in accordance with the Articles of Incorporation of the Association shall not be deemed a transfer within the meaning of this clause.)

(2) change the method of determining the obligations, Assessments, dues or other charges which may be levied against a Unit Owner;

(3) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to architectural design of the exterior appearance of the Units, or the upkeep of lawns and plantings in the Property; or

(4) amend this Declaration or the Articles of Incorporation or Bylaws of the Association in such a manner that the rights of any first Permitted Mortgagee will be affected. The addition of Units and Common Facilities to the Community within the Additional Real Estate shall not be considered a material amendment or an amendment which affects the rights of any first Permitted Mortgagee.

D. First Permitted Mortgagees shall have the right to examine the books and records of the Association during normal business hours.

E. First Permitted Mortgagees may, jointly or singly pay taxes or other charges which are in default and which may or have become a charge against any Common Facilities and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such property, and first Permitted Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association. In addition to the foregoing, the Executive Board may enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of the

VA, the FHA, the FHLMC, the FNMA or the GNMA or any similar governmental or quasi-governmental entity, so as to allow for the purchase, insurance or guaranty, as the case may be, by such entities of Permitted Mortgages. Each Unit Owner hereby agrees that it will benefit the Association and the membership of the Association, as a class of potential Mortgage borrowers and potential seller of their Units if such agencies approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time.

F. Upon the specific request of a Permitted Mortgagee or its servicer to the Executive Board, the Permitted Mortgagee shall be entitled to receive some or all of the following as designated in the request:

(1) Copies of budgets, notices of Assessment, or any other notices or statements provided under this Declaration by the Executive Board to the Owner of the Unit covered by the mortgage;

(2) Notice of the decision of the Unit Owners to make any material amendment to this Declaration;

(3) Notice of the commencement of any condemnation or eminent domain proceedings with respect to any part of the Property; and

(4) Notice of any default by the Owner of the Unit which is subject to the mortgage, where such default is not cured by the Unit Owner within thirty (30) days after the giving of notice by the Association to the Unit Owner of the existence of the default.

(5) Notice of any lapse, cancellation or material modification of any insurance policy maintained by the Association.

The request of a mortgagee or its servicer shall specify which of the above items it desires to receive and shall indicate the address to which any notices or documents shall be sent by the Executive Board. The Executive Board need not inquire into the validity of any request made by a mortgagee hereunder, but may request reimbursement for reasonable expenses in producing any documents requested.

Failure to comply with the requirements set forth above shall in no way invalidate otherwise proper actions of the Association and the Executive Board.

ARTICLE XII LIMITATION OF LIABILITY

Section 12.1 Limited Liability of the Executive Board and Committee Members. The Executive Board, and any committee appointed by the Executive Board, and their respective members in their capacity as members, officers and employees:

A. Shall not be liable for the failure of any service to be obtained by the Executive Board or any committee and paid for by the Association, or for injury or damage to persons or property caused by the elements or by another Unit Owner or person on the Property, or resulting

from electricity, gas, water, rain, dust or sand which may leak or flow from the outside or from any part of the building of which the Unit is a part, or from any of its pipes, drain conduits, appliances, or equipment, or from any other place unless in each such instance such injury or damage has been caused by the willful misconduct or gross negligence of the Association, the Executive Board or any committee;

B. Shall not be liable to the Unit Owners as a result of the performance of any Executive Board or committee member's duties for any mistake of judgment, negligence or otherwise, except for the Executive Board or committee member's own willful misconduct or gross negligence;

C. Shall have no personal liability in contract to a Unit Owner or any other person or entity under any agreement, check, contract, deed, lease, mortgage, instrument or transaction entered into by them on behalf of the Executive Board or the Association in the performance of the Executive Board or committee member's duties;

D. Shall not be liable to a Unit Owner, or such Unit Owner's tenants, employees, agents, customers or guests, for loss or damage caused by theft of or damage to personal property left by such Unit Owner or such Unit Owner's tenants, employees, agents, customers or guests in a Unit, or in or on the Common Facilities or Limited Common Facilities, except for the Executive Board or committee member's own willful misconduct or gross negligence.

E. Shall have no personal liability in tort to a Unit Owner or any other person or entity, direct or imputed, by virtue of acts performed by or for them, except for the Executive Board or committee member's own willful misconduct or gross negligence in the performance of their duties; and

F. Shall have no personal liability arising out of the use, misuse or condition of the building, or which might in any other way be assessed against or imputed to the Executive Board or committee members as a result of or by virtue of their performance of their duties, except for the Executive Board or committee member's own willful misconduct or gross negligence.

Section 12.2 Indemnification. Each member of the Executive Board, and any member of a committee appointed by the Executive Board, in the capacity as an Executive Board or committee member, officer or both, shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred in connection with any proceeding in which such member may become involved by reason of being or having been a member and/or officer of the Executive Board or any committee appointed by the Executive Board, or any settlement of any such proceeding, whether or not an Executive Board or committee member, officer or both at the time such expenses are incurred, except in such cases wherein such Executive Board or committee member and/or officer is adjudged guilty of willful misconduct or gross negligence in the performance of such member's duties; provided that, in the event of a settlement, this indemnification shall apply only if and when the Executive Board (with the affected member abstaining if then an Executive Board Member) approves such settlement and reimbursement as being in the best interests of the Association; and provided further that, indemnification hereunder with respect to any criminal action or proceeding is

permitted only if such Executive Board or committee member and/or officer had no reasonable cause to believe such member's conduct was unlawful. The indemnification by the Unit Owners set forth in this Section 12.2 shall be paid by the Association on behalf of the Unit Owners and shall constitute a Common Expense and shall be assessed and collectible as such. Such right of indemnification shall not be deemed exclusive of any other rights to which such Executive Board or committee member and/or officer may be entitled as a matter of law or agreement or by vote of the Unit Owners or otherwise.

Section 12.3 Defense of Claims. Complaints brought against the Association, the Executive Board, any committees appointed by the Executive, or the officers, employees or agents thereof in their respective capacities as such, or the Community as a whole, shall be directed to the Executive Board of the Association, which shall promptly give written notice thereof to the Unit Owners and the holders of any mortgages on Units and such complaints shall be defended by the Association. The Unit Owners and the holders of mortgages on Units shall have no right to participate in such defense other than through the Association.

Section 12.4 Insurance. The Executive Board shall obtain insurance to satisfy the indemnification obligation of the Association and all Unit Owners set forth in Section 12.2 above, if and to the extent available.

ARTICLE XIII ARCHITECTURAL CONTROL

Section 13.1 Building Restrictions. No building shall be erected, altered, placed or permitted to remain on any Lot other than a single-family or semi-detached dwelling not to exceed two and one-half stories in height together with a private garage or carport as well as a storage building provided that storage building is accessory to the single-family dwelling. The total living area of the main structure, exclusive of one-story open porches, garages and basements shall be not less than 1,700 square feet for a one-story dwelling or semi-detached dwelling nor less than 2,100 square feet for a two-story dwelling.

Section 13.2 Review of Proposed Construction. Subject to the exemption of the Declarant pursuant to Section 6.1.5 of this Declaration and subject to all applicable municipal zoning ordinances, no change or alteration to the color or materials applied to the exterior of any Unit shall be made until the specifications for color and materials shall have been approved by the Executive Board. The Unit Owner shall obtain approval by the Executive Board prior to filing an application with the Township for a building permit. The Executive Board shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the location indicated will not exceed the impervious coverage limitations on the Lot or the Property as a whole. The Executive Board may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, upon the agreement by the Unit Owner submitting the same to grant appropriate easements to the Association or to assume any additional cost of maintenance and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Executive Board may also issue rules or guidelines setting forth procedures for the submission of plans for approval, requiring a fee payable to the Association to accompany each application for approval, or additional factors

which it will take into consideration in reviewing submissions. The Executive Board may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and description or samples of exterior material. Until receipt by the Executive Board of any required plans and specifications, the Executive Board may postpone review of any plans submitted for approval. Thereafter, the Executive Board shall communicate its response to the submitting Unit Owner within sixty (60) days after such receipt. Lack of a timely response shall be deemed an approval of the request as made.

Section 13.3 No Waiver of Future Approvals. The approval of the Executive Board to any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Executive Board, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

Section 13.4 Non-Liability of Committee Members. Neither the Committee nor any member thereof, shall be liable to the Association, or to any Unit Owner for any loss, damage or injury arising out of or in any way connected with the performance of the Executive Board's duties hereunder, unless due to the willful misconduct or bad faith of the Committee or any such member or representative.

Section 13.5 Variance. The Executive Board may authorize variances from compliance with any of the architectural provisions of this Article XIII when circumstances such as hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing, must be signed by at least a simple majority of the members of the Executive Board, and shall become effective upon recordation in the Office of the Recorder of Deeds of Schuylkill County. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall it affect in any way the Unit Owner's obligation to comply with all governmental laws and regulations affecting the use of the Unit, including but not limited to zoning ordinances or other requirements imposed by any governmental or municipal authority.

Section 13.6 Reasonable Accommodations; Governmental Requirements. Whenever the Executive Board determines that pursuant to applicable law any structure is required as a reasonable accommodation under applicable law (or whenever a final determination of any governmental authority having jurisdiction to such effect shall have been made and shall not be subject to appeal or further appeal (a "final governmental determination")), the Executive Board shall approve the construction thereof subject to such reasonable rules and regulations as the Executive Board shall impose, which may include, without limitation, (i) a requirement that the person seeking such accommodation furnish to the Executive Board reasonable evidence to substantiate the basis for the reasonable accommodation requested (except in instances in which the need for such reasonable accommodation has been determined by a final governmental

determination); (ii) a requirement that such reasonable accommodation shall remain in effect only so long as the individual whose condition gave rise to the reasonable accommodation remains a resident of the property in question and continues to experience the condition which gave rise to the reasonable accommodation, and that thereafter all improvements constructed pursuant to the reasonable accommodation be removed by and at the expense of the Unit Owner of the Lot upon which or at whose request such improvements were constructed; (iii) a requirement that the Unit Owner of the Lot in question furnish annually to the Executive Board reasonable evidence as to the matters set forth in (ii) above; and (iv) all reasonable accommodations shall be subject to all of the requirements of this Declaration, the Rules and Regulations or requirements of the Executive Board, to the end and effect that the Executive Board shall have the fullest authority permitted by law to approve plans and specifications, design, materials and appearance of the improvement in question.

ARTICLE XIV UNITS SUBJECT TO COMMUNITY DOCUMENTS; EMINENT DOMAIN

Section 14.1 Applicability of Community Documents. Each present and future owner, occupant and Permitted Mortgagee of a Unit, shall be subject to and shall comply with the provisions of the Act, this Declaration, the Plan, the Bylaws and the Rules and Regulations and with the covenants, conditions and restrictions as set forth in this Declaration, the Plan, the Bylaws, the Rules and Regulations and the deed to such Unit; provided that nothing contained herein shall impose upon any lessee or Permitted Mortgagee of a Unit any obligation which the Act or one or more of such documents, or both, make applicable only to Unit Owners (including, without limitation, the obligation to pay assessments for Common Expenses). The acceptance of a deed or mortgage to any Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the Act, this Declaration, the Plan, the Bylaws, the Rules and Regulations and the covenants, conditions and restrictions set forth in the deed to such Unit are accepted and ratified by such grantee or Permitted Mortgagee. All of such provisions shall be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or mortgage thereof. The failure of the Association to enforce one or more violations of the Declaration, the Bylaws, Rules and Regulations shall not be deemed a waiver of any of the covenants, conditions and restrictions set forth therein.

Section 14.2 Convertible Real Estate. The Declarant hereby reserves the right to create additional Units, Common Facilities and Controlled Facilities within Convertible Real Estate as described in Exhibit "E" of this Declaration. The Declaration reservation of the rights to create additional Units and Common Facilities is subject to the following limitations:

(a) Twenty-three (23) additional Units may be constructed within the Convertible Real Estate described in Exhibit "E." Each building shall constitute a separate phase of additional Units added.

(b) the Declaration reservation of rights as set forth in this Paragraph will lapse upon completion of construction of the buildings containing the twenty-six (26) Units, and such additional Units as may be constructed within the Convertible Real Estate described in Exhibit

"E" of this Declaration and in no event shall the Declarant's aforesaid reservation of rights continue beyond 10 years after the date of recording of this Declaration.

(c) the extent to which the relative voting strength in the Association and share of Common Expense liability of each Unit created hereunder may be decreased by the Declarant creating additional Units and Common Facilities as set forth elsewhere herein. The reallocation of relative voting strength in the Association and share of Common Expense liability of each unit created hereunder is based upon (1) each Unit, present and future, shall be assigned one vote; and (2) Common Expense liability, present and future, shall be based upon the percentage relationship each unit bears to the aggregate number of existing units, subject to the requirement of the Declarant to subsidize Common Expenses pursuant to Section 8.10 of this Declaration. The basis for this formulation is that each unit derives equal benefit from the Common Facilities.

(d) Construction will commence upon the additional buildings and phases consecutively or concurrently in any number at Declarant's election.

(e) The aggregate number of Units that may be created presently and in the future in all of the Convertible Real Estate described in Exhibit "E" is twenty-three (23) Units.

(f) All buildings, Units and Common Facilities that will be erected upon each portion of the Convertible Real Estate described in Exhibit "E" will be compatible with the other buildings, Units and Common Facilities in the Community in terms of architectural style, quality of construction, and principal materials employed in construction and size.

(g) All restrictions in the Declaration affecting use, occupancy and alienation of Units will apply to Units created within the Convertible Real Estate.

(h) The location of each of the additional buildings and improvements shall be the same as the corresponding buildings and improvements shown on the recorded Plan of Declaration.

Section 14.3 Additional Land : The Declarant's reservation of rights to create additional Units, Common Facilities and Limited Common Facilities pursuant to Section 5211 of the Act as set forth in Section 2.4 above is subject to the following limitations:

(a) Declarant's reservation of rights shall not extend beyond ten (10) years after the date of recording of this Declaration;

(b) Any residential Units that will be erected upon the Additional Land will be generally compatible with the other residential dwellings in the Community except that different types of residential dwellings may be added and no assurances are made with respect to a particular architectural design for any commercial building which may be constructed;

(c) There are no assurances that dwellings or other improvements will be constructed in any particular location and there are no assurances regarding the

timing of construction of any additional dwellings or improvements within Additional Land;

Section 14.4 Amendment Generally. Except as limited by Section 5219 of the Act, this Declaration may be amended by the vote of the Unit Owners holding sixty-seven percent (67%) of the allocated votes in the Association.

(a) Any amendment or termination which may affect Township or its interests, whether they are made by the Association, Unit Owners and/or Declarant, are subject to approval by Township.

(b) Until seventy-five percent (75%) of the Units have been conveyed to Unit Owners other than the Declarant, the following actions will require the prior approval of FHLMC, GNMA, FNMA, FHA, VA or similar government agencies:

Annexation of additional properties, mergers and consolidations, mortgaging of Common Facilities, dedication of Common Facilities, amendment of the Declaration, Articles of Incorporation and the Bylaws.

Section 14.5 Rights of Secured Lenders. Subject to the limitations imposed by Section 5221 of the Act and except as set forth below, no amendment of this Declaration may be made without the prior written approval of holders of first mortgages on Units to which the Units subject to a mortgage appertain, if and to the extent that such approval is required by the Act or if and to the extent that such amendment would have the effect of (1) terminating or abandoning the Planned Community (except for termination or abandonment as a result of a taking of all the Units by eminent domain); (2) abandoning, encumbering, selling or transferring the Common Facilities; (3) partitioning or subdividing any Unit or the Common Facilities; or (4) changing the manner of determining Common Expense percentage liability of the Unit Owners. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Facilities shall not be deemed to be a transfer within the meaning of this Section. If any Permitted Mortgagee fails to submit a written response to any written proposal for an amendment within sixty (60) days after the Permitted Mortgagee receives notice of the Proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested, the proposed amendment shall be deemed approved by the Permitted Mortgagee.

Section 14.6 Rights of Declarant, Builder and Township. No change, modification or amendment which affects the respective rights, privileges or obligations of the Declarant or the Township shall be effective without prior written consent of the party whose rights, privileges or obligations are impacted.

Section 14.7 Other Amendments. If any amendment is necessary in the judgment of the Executive Board to cure any ambiguity or to correct or supplement any provision of this Declaration or the Plats and Plans which is defective or inconsistent with any other provision hereof or thereof or with the Act, or to change, correct or supplement anything appearing or failing to appear in the Plats and Plans which is incorrect, defective or similarly inconsistent, or if such amendment is necessary to conform to the then current requirement of FNMA, FHLMC,

VA, FHA, GNMA, or other similar government agency with respect to community projects, the Executive Board may, at any time and from time to time, effect such amendment without the approval of the Unit Owners, or Permitted Mortgagees, upon receipt by the Executive Board of an opinion from independent legal counsel to the effect that the proposed amendment is permitted by the terms of this sentence, together with a like opinion from an independent registered architect or licensed professional engineer in the case of any such amendment to the Plats and Plans. Each such amendment shall be effective upon the recording of an appropriate instrument setting forth the amendment and its due adoption, execution and acknowledgments by one or more officers of the Executive Board.

ARTICLE XV DECLARANT'S RIGHTS

Section 15.1 Control. Not later than sixty days after the conveyance of twenty-five percent (25%) of the total number of Units which may be constructed within the Community to Unit Owners other than the Declarant, Declarant shall have the right to appoint and remove any and all officers and members of the Executive Board. Declarant may not unilaterally remove any members of the Executive Board elected by Unit Owners other than the Declarant.

15.1.1 Not later than sixty days after the conveyance of twenty-five percent (25%) of the total number of Units which may be constructed within the Community to Unit Owners other than the Declarant, one member of the Executive Board shall be replaced by a Unit Owner other than Declarant, as provided in Article V of the Bylaws.

15.1.2 Not later than the earlier of (i) seven (7) years after the date of recording of this Declaration, or (ii) sixty (60) days after seventy-five percent (75%) of the total number of Units which may be constructed in the Community have been conveyed to Unit Owners other than the Declarant, all members of the Executive Board shall resign, and the Unit Owners shall elect a new three-member Executive Board.

Section 15.2 Enforcement. This Declaration, the Articles of Incorporation and the Bylaws may be enforced by the Association or by the Township as follows:

A. Breach of any of the covenants contained in the Declaration or the Bylaws and the continuation of any such breach may be enjoined, abated or remedied by appropriate legal proceedings by any Unit Owner, by the Association or the successors-in-interest of the Association. Any judgment rendered in any action or proceeding pursuant hereto shall include the amount of any delinquent payment, interest thereon, costs of collection, including attorney's fees, court costs and penalty charges.

B. The result of every act or omission by which covenants contained in this Declaration or the Bylaws are violated in whole or in part is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance either public or private shall be applicable against every such result and may be exercised by any Unit Owner, by the Association or its successors-in-interest.

C. The remedies herein provided for breach of the covenants contained in this Declaration or in the Bylaws shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

D. The failure of the Association to enforce any of the covenants contained in this Declaration or in the Bylaws shall not constitute a waiver of the right to enforce the same thereafter.

E. A breach of the covenants, conditions or restrictions contained in this Declaration or in the Bylaws shall not affect or impair the lien or charge of any bona fide Mortgage or deed of trust made in good faith and for value on any residential Lot or the Unit thereon, provided, however, that any subsequent Unit Owner of such property shall be bound by said covenants, whether such Unit Owner's title was acquired by foreclosure in a trustee's sale or otherwise.

Section 15.3 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

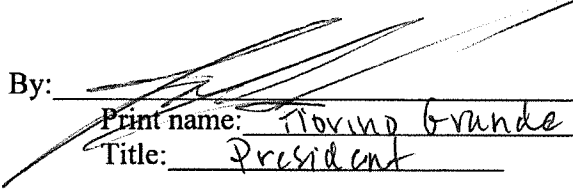

Section 15.4 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of Common Facilities and Controlled Facilities. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine and neuter shall each include the masculine, feminine and neuter.

Section 15.5 Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other portion of the Property does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in the Property, or any portion thereof.

OPERATION AND MAINTENANCE AGREEMENT

Phase I

EXHIBIT "F"

The purpose of this instrument is to provide notice and to ensure the operation and maintenance, and necessary access for operation and maintenance of the PCSM BMP's on the property and to prevent the use or development of the property in any manor that may impair or conflict with the long term operation and maintenance of the BMP's.

The long term operation and maintenance of the PCSM BMP'S is a covenant that runs with the land that is binding upon and enforceable by subsequent grantees.

THE FOLLOWING is a partial list of the BMP's requiring maintenance as shown in the Post Construction Storm Management Narrative prepared by C2C Design Group dated 4-3-19.

Operations and Maintenance:

1. Catch basins and inlets (tributary to Infiltration facility) should be inspected and cleaned at least two times per year and after runoff events.
2. The vegetation along the surface of the Infiltration basin should be maintained in good condition, and any bare spots re-vegetated and mulched as soon as possible.
3. Vehicles should not be parked or driven on the Infiltration basin, and care should be taken to avoid excessive compaction by mowers.
4. Inspect basin after runoff events and make sure that runoff drains down within 72 hours. Mosquitos should not be a problem if the water drains down in 72 hours. Mosquitos require a considerable long breeding period with relatively static water levels.
5. Inspect for accumulation of sediment, damage to outlet control structures, erosion control measures, signs of water contamination/ spills, and slope stability in the berms.
6. Mow only as appropriate for vegetative species.
7. Remove accumulated sediment from basin as required. Restore original cross section and infiltration rate. Properly dispose of sediment.

**BYLAWS
OF
GRANBURY MANOR ESTATE COMMUNITY ASSOCIATION**

**ARTICLE I -
INTRODUCTORY PROVISIONS**

1. Applicability. These Bylaws provide for the governance of Granbury Manor Estates Community Association (the "Association") created pursuant to the Declaration made by Grande Land LP (the "Declarant"), filed in the Office of the Recorder of Deeds of Schuylkill County, Pennsylvania in Deed Book _____, Page _____.
2. Definitions. Capitalized terms used herein without definition shall have the meanings specified for such terms in the Declaration to which these Bylaws pertain, except as otherwise provided herein. The term "Member" as used herein shall mean a Unit Owner as defined in the Declaration, including the Declarant for so long as the Declarant owns a Unit in the Community.
3. Compliance. Every Member of the Association shall comply with these Bylaws.

ARTICLE II - OFFICES

1. Registered Office. The registered office of the Association shall be 2213 Quarry Drive, Reading, Pennsylvania, 19609, Pennsylvania, until otherwise established by an amendment of the Articles of Incorporation or by the Executive Board and a record of such change is filed with the Department of State in the manner provided by law.
2. Other Offices. The Association may also have offices at such other places within or without the Commonwealth of Pennsylvania as the Executive Board may from time to time appoint or the business of the Association may require.

ARTICLE III – RESERVED

ARTICLE IV - MEETINGS OF MEMBERS

1. Membership. Every Unit Owner of a Unit, including the Declarant, shall be a Member of the Association. Memberships in the Association shall not be assignable, except by transfer of title, and every membership in the Association shall be appurtenant to and may not be separated from the fee ownership of such Unit. Ownership of such Unit shall be the sole qualification for membership in the Association.
2. Place of Meeting. Meetings of the Members shall be held at the executive office of the Association or at such other place or places, either within or without the Commonwealth of Pennsylvania, as may from time to time be fixed by the Executive Board.

3. Annual Meeting. The Executive Board may fix the date and time of the annual meeting of the Members, but if no such date and time is fixed by the Executive Board, the meeting for any calendar year shall be held during the month of December in such year, when the Members shall elect an Executive Board and transact such other business as may properly be brought before the meeting. If the annual meeting shall not be called and held within six (6) months after the designated time, any Member may call such meeting.

4. Special Meetings. Special meetings of the Members may be called at any time by the President, or the Executive Board, or upon written request of the Members who are entitled to cast at least thirty-five percent (35%) of the votes which all Members are entitled to cast at the particular meeting. At any time, upon written request of any person who has called a special meeting, it shall be the duty of the Secretary to fix the time of the meeting, which shall be held not more than sixty (60) days after the receipt of the request. If the Secretary shall neglect or refuse to fix the time of the meeting, the person or persons calling the meeting may do so. Business transacted at all special meetings shall be confined to the objects stated in the call and matters germane thereto, unless consented to in person or by proxy by thirty-five percent (35%) of all Members entitled to attend or vote at such meeting.

5. Method of Voting. Questions to be submitted to Members may be decided at a meeting, by valid vote by mail, by an electronic voting method which permits the voting party to be verified, or by any other reasonable means determined by the Executive Board. The Executive Board shall determine, by resolution, the method of voting and give notice thereof as provided herein. Elections for Directors need not be by secret written ballot, except upon demand made by a Member at the election and before the voting begins.

6. Notice of Meetings.

(a) Written notice of every meeting of the Members, stating the time, place and object thereof, shall be given by, or at the direction of, the Secretary or other authorized person to each Member of record entitled to vote at the meeting, at least ten (10) days prior to the day named for a meeting called to consider a fundamental change under Chapter 59 of the Pennsylvania Nonprofit Corporation Law 15 Pa. C.S. § 5901, *et seq.*, (relating to fundamental changes) or five (5) days prior to the day named for the meeting in any other case unless a greater period of notice is required by statute or the Declaration in a particular case, and in no event more than sixty (60) days prior to the day named for the meeting. If the Secretary or other authorized person shall neglect or refuse to give notice of the meeting, the person or persons calling the meeting may do so.

(b) Notice as provided for in these Bylaws shall be addressed to Members at each Member's respective Unit or at such other address as any such Member may from time to time specify in writing to the Association's Secretary. Notices to co-owners shall be addressed to all but need only be sent to one address.

7. Quorum. A meeting of Members duly called shall not be organized for the transaction of business unless a quorum is present. The presence at the meeting of Members entitled to cast, or of proxies to cast, twenty-five percent (25%) of the votes of all Members who are entitled

to vote shall constitute a quorum for any action, except as otherwise provided in the Declaration, the Articles of Incorporation or by statute. The acts at a duly organized meeting of Members present entitled to cast at least a majority of the votes which all Members present and voting are entitled to cast shall be the acts of the Members. The Members present at a duly organized meeting can continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum. If a meeting cannot be organized because a quorum has not attended, those present may, except as otherwise provided by statute, adjourn the meeting to such time and place as they may determine; but in the case of any meeting called for the election of Directors, those who attend the second of such adjourned meetings, although less than a quorum, shall nevertheless constitute a quorum for the purpose of electing Directors. In the case of any meeting called for any other purpose, those who attend the second of such adjourned meetings, although less than a quorum, shall nevertheless constitute a quorum for the purpose of acting upon any resolution or other matter set forth in the notice of the meeting, if written notice of such second adjourned meeting, stating that those Members who attend shall constitute a quorum for the purpose of acting upon such resolution or other matter, is given to each Member of record entitled to vote at such second adjourned meeting at least ten (10) days prior to the day named for the second adjourning meeting.

8. Action by Consent. Any action which may be taken at a meeting of the Members may be taken without a meeting if a consent or consents in writing, setting forth the action so taken, shall be signed by all of the Members who would be entitled to vote at a meeting for such purpose and shall be filed with the Secretary of the Association.

9. Voting Rights. Every Member of the Association shall be entitled to one (1) vote for each Unit in which they hold the interest required for membership. When more than one person holds such interest or interests in any Unit, ("co-owner"), all such co-owners shall be Members and may attend any meetings of the Association, but only one such co-owner shall be entitled to exercise the vote to which the Unit is entitled. If co-owners cannot agree, then they shall be counted toward the quorum, but their vote shall not be counted. No Member shall sell such Member's vote or issue a proxy for money or anything of value. Upon request of a Member, the books or records of membership shall be produced at any regular or special meeting of the Association. If at any meeting the right of a person to vote is challenged, the presiding officer shall require the books or records to be produced as evidence of the right of the person challenged to vote, and all persons who appear by the books or records to be Members entitled to vote may vote. The right of a Member to vote, and the Member's right, title and interest in or to the Association or its Property, shall cease on the termination of the Member's membership.

10. Proxies. At all meetings of Members, each Member may vote in person, by mailed ballot or by proxy. All proxies shall be in writing and filed with the Secretary prior to the time of the meeting. Proxies may be given only to another authorized representative of the Unit Owner. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of the Member's Unit, or upon receipt of written notice by the Association of the death or judicially declared incompetence of the grantor of the proxy.

11. Judges of Election. In advance of any meeting of Members, the Executive Board

may appoint judges of election, who need not be Members, to act at such meeting or any adjournment thereof. If judges of election are not so appointed, the presiding officer of any such meeting may, and on the request of any Member shall, make such appointment at the meeting. The number of judges shall be one (1) or three (3). No person who is a candidate for office shall act as a judge.

ARTICLE V - EXECUTIVE BOARD

1. Number. The business and affairs of the Association shall be managed by its Executive Board, three (3) in number, who shall be natural persons of full age. Members of the Executive Board shall be referred to in these Bylaws as "Directors". Until such time as the provisions of Article V, section 3(b) below are effective, the Executive Board shall consist of appointed Directors and elected Directors, as more particularly described in sections 2 and 3 of this Article.

2. Appointed Board. The Executive Board shall initially consist of appointed Directors who have been appointed by the Declarant. Appointed Directors shall serve at the pleasure of the Declarant and may be removed and replaced by the Declarant at any time and from time to time at the Declarant's sole discretion. Appointed Directors need not be Members of the Association.

REVIEW DECLARATION (DECLARANTS RIGHTS) AND REVISE ACCORDINGLY:

3. Elected Board.

(a) Not later than sixty days after the conveyance of twenty-five percent (25%) of the total number of Units which may be constructed within the Community to Unit Owners other than Declarant, the Executive Board shall cause a meeting of the Members to be called for the purpose of electing one (1) elected Director and the Declarant shall simultaneously remove one (1) appointed Director from the Executive Board. Continuing thereafter until such time as the provisions of Article V, section 3(b) below are effective, the Executive Board shall consist of two (2) appointed Directors and one (1) elected Director. The two (2) appointed Directors shall be appointed by the Declarant for a term of one (1) year, and the one (1) elected Director shall be elected by the Members at each annual meeting for a term of one (1) year.

(b) Not later than the earlier of (i) seven (7) years after the date of recording of this Declaration, or (ii) sixty (60) days after seventy-five percent (75%) of the Units have been conveyed to Unit Owners other than the Declarant or Builder, the Executive Board shall cause a meeting of the Members to be called for the purpose of accepting the resignations of all Directors on the Executive Board and filling the two (2) appointed seats on the Executive Board with elected Directors. At the first such election of three (3) elected Directors, the Member receiving the highest number of votes shall serve for a term of three (3) years; the Member receiving the next highest number of votes shall serve for a term of two (2) years; and the Member receiving the next highest number of votes shall serve for a term of one (1) year. Each Director elected thereafter shall be elected for a term of three (3) years and shall serve until such Director's successor shall be elected and shall qualify.

(c) Elected Directors shall be Members of the Association.

4. Meetings, Generally. The meetings of the Executive Board may be held at such times and at such place or places within this Commonwealth or elsewhere as a majority of the Directors may from time to time appoint, or as may be designated in the notice calling the meeting.

5. Regular Meetings. Regular meetings of the Executive Board shall be held without notice immediately following the annual meeting of the Members in each year at the executive office of the Association, or at such other time and place as shall be determined by the Executive Board. In no event shall more than three hundred ninety (390) days elapse between regular meetings.

6. Special Meetings. Special meetings of the Executive Board shall be held when called by the President of the Association, or by a majority of the Executive Board.

7. Notice.

(a) Notice of every special meeting of the Executive Board shall be given to each Director by telephone or in writing at least 24 hours (in the case of notice by telephone, facsimile transmission, e-mail or other electronic communication) or 48 hours (in the case of notice by courier service or express mail), or five (5) days (in the case of notice by first class mail) before the time at which the meeting is to be held. Every such notice shall state the time and place of the meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Executive Board need be specified in a notice of a meeting.

(b) Before or at any meeting of the Executive Board, any Director may, in writing, waive notice of such meeting, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any such meeting shall be a waiver of notice by such Director of the time and place thereof unless such attendance is solely for the purpose of objecting to the notice given. If all of the Directors then serving on the Executive Board are present at any meeting thereof, no notice shall be required and business may be transacted at such meeting unless one or more of the Directors are attending solely for the purpose of objecting to the notice given.

8. Quorum. A majority of the Directors in office shall be necessary to constitute a quorum for the transaction of business, and the acts of a majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Executive Board.

9. Effects of Presence. Any Director present at any meeting shall be deemed to have assented to any action taken at such meeting unless such Director's dissent is entered in the minutes or unless such Director's written dissent is filed with the Secretary at or immediately following the adjournment thereof, provided that no Director may dissent from any action from which such Director voted in favor at the meeting.

10. Action by Written Consent. Any action which may be taken at a meeting of the

Directors may be taken without a meeting if a consent or consents in writing, setting forth the action so taken, shall be signed by all of the Directors in office and shall be filed with the Secretary of the Association.

11. Committees. The Executive Board may, by resolution adopted by a majority of the Directors in office, establish one or more committees to consist of one or more Directors of the Association. Any such committee, to the extent provided in the resolution of the Executive Board or in the Bylaws, shall have and may exercise all of the powers and authority of the Executive Board, except that a committee shall not have any power or authority as to the following:

(a) The submission to Members of any action required by statute to be submitted to the Members for their approval;

(b) The creation or filling of vacancies in the Executive Board;

(c) The adoption, amendment or repeal of these Bylaws and/or the Declaration;

(d) The amendment or repeal of any resolution of the Executive Board that by its terms is amendable or repealable only by the Executive Board; or

(e) Action on matters committed by these Bylaws or a resolution of the Executive Board exclusively to another committee of the Board.

12. Alternate Committee Members. The Executive Board may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another Director to act at the meeting in the place of any absent or disqualified member.

13. Removal.

(a) The entire Executive Board or any individual Director may be removed from office without assigning any cause by the vote of Members entitled to cast at least a majority of the votes which all Members present would be entitled to cast at any annual or other regular election of the Directors. In case the Executive Board or any one or more Directors are so removed, new Directors may be elected at the same meeting.

(b) The unexcused absence of any Director from three (3) consecutive regular meetings of the Executive Board shall be deemed a resignation.

(c) The Executive Board may declare vacant the office of a Director if the individual is declared of unsound mind by an order of court or is convicted of a felony, or if within sixty (60) days after notice of selection the individual does not accept such office, either in writing or by attending a meeting of the Executive Board, and fulfill such other requirements of qualification as the Bylaws may specify.

14. No Compensation. No Director shall be compensated by the Association for acting as such.

15. Rules of Order. When not otherwise provided herein, the Executive Board and the Association shall conduct their respective business in accordance with Robert's Rules of Order, or such other rules as it may adopt from time to time for such purpose.

16. Members' Right to Attend Meetings. Members shall have no right to attend meetings of the Executive Board, but the Executive Board may, in its sole discretion, elect to allow Members to attend a particular meeting or meetings, and shall post or cause to be posted a notice of such meeting in such places as it thinks appropriate at least ten (10) days prior to such meeting; provided, however, that the failure to give such notice shall neither invalidate any actions taken at said meeting or impose any liability on the Executive Board, the Association or any of its officers or servants for failure to give such notice.

17. Consent. Whenever any provision of the Declaration, these Bylaws or the Rules and Regulations shall require permission of the Executive Board, such permission shall consist of a written statement setting forth the action or activity for which such permission is granted, signed by at least a majority of the Executive Board who shall have been authorized to sign such permission on behalf of the Board by a vote thereof. This action or activity for which permission is granted shall be noted by the Secretary in the records of the Executive Board.

ARTICLE VI - NOMINATION AND ELECTION OF DIRECTORS

1. Nomination. The Nominating Committee, if any, shall consist of a Chairman, who shall be a member of the Executive Board, and two (2) or more Members of the Association. The Nominating Committee, if any, shall be appointed by the Executive Board prior to each annual meeting of the Members, to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each annual meeting. The Nominating Committee, if any, shall make as many nominations for election to the Executive Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled.

2. Election. Elections for Directors need not be by secret written ballot, except upon demand made by a Member at the election and before the voting begins. At such election, the Members may cast, in person, by mailed ballot or by proxy, in respect to each vacancy, as many

The Treasurer shall cause an annual audit, compilation or review of the Association books to be made by a public accountant at the completion of each fiscal year.

6. Delegation of Duties to a Manager. Certain specific duties of the Secretary and Treasurer of the Association may be designated by the Executive Board to a manager designated by the Board.

7. Compensation. The compensation, if any, of officers shall be fixed by the Executive Board.

8. Execution of Instruments. No note, mortgage, evidence of indebtedness, contract or other document, or any assignment or endorsement thereof, shall be binding upon the Association unless entered into on its behalf and signed by the President or a Vice-President of the Association and the Secretary or an Assistant Secretary or Treasurer or an Assistant Treasurer of the Association; provided, however, that the Executive Board may authorize the manager, if any, or specified employees of the manager to execute checks and other documents without the signature of an Association officer, subject to such conditions and limitations as may from time to time be imposed by the Executive Board.

ARTICLE IX - VACANCIES

1. If the office of any officer or agent, one or more, becomes vacant for any reason, the Executive Board may choose a successor or successors, who shall hold office for the unexpired term in respect of which such vacancy occurred.

2. Any officer or agent may be removed from office with or without cause by the Executive Board by an affirmative vote of the majority of the entire Executive Board whenever in its judgment the best interests of the Association will be served thereby. Any officer may resign at any time giving written notice to the Executive Board, the President or the Secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

3. Vacancies in the Executive Board, including vacancies resulting from an increase in the number of Directors, the death, resignation or removal of a Director, shall, except as otherwise specifically provided at Article V, section 13(a) above, be filled by a majority of the remaining members of the Executive Board, though less than a quorum, and each person so elected shall be a Director to serve for the unexpired term in respect of which such vacancy occurred, except that any vacancy occurring as a result of the death, resignation or removal of an appointed Director shall, until such time as the provisions of Article V, section 3(b) above are effective, be filled by appointment by the Declarant.

ARTICLE X- BOOKS AND RECORDS

1. The Association shall keep minutes of the proceedings of the Members, the Executive Board and any other body, and a membership register, giving the names and addresses of all Members and other details of the membership of each. The Association shall also keep appropriate, complete and accurate books or records of account. The records provided for herein shall be kept at either the registered office of the Association in this Commonwealth or at its principal place of business wherever situated.

2. Every Member shall, upon written verified demand stating the purpose thereof, have a right to examine, in person or by agent or attorney, during the usual hours for business for any proper purpose, the membership register, books and records of account, and records of the proceedings of the Members, Executive Board and any other body, and to make copies or extracts therefrom at reasonable cost. The Declaration and the Bylaws of the Association shall be available for inspection by any Member at the principal office of the Association, where copies may be purchased at reasonable cost. A proper purpose shall mean a purpose reasonably related to the interest of the person as a Member. In every instance where an attorney or other agent is the person who seeks the right of inspection, the demand shall be accompanied by a verified power of attorney or other writing that authorizes the attorney or other agent to so act on behalf of the Member. The demand shall be directed to the Association at its registered office in this Commonwealth or at its principal place of business wherever situated.

ARTICLE XI - MEMBERSHIP CERTIFICATES

Membership in the Association may be evidenced by certificates of membership, in which case they shall be in such form and style as the Executive Board may determine. The fact that the Association is a nonprofit corporation shall be noted conspicuously on the face of each certificate. They shall be signed by the President and by the Secretary.

ARTICLE XII - TRANSACTION OF BUSINESS

Whenever the lawful activities of the Association involve, among other things, the charging of fees or prices for its services or products, it shall have the right to receive such income and, in so doing, may make an incidental profit. All such incidental profits shall be applied to the maintenance and operation of the lawful activities of the Association, and in no case shall be divided or distributed in any manner whatsoever among the Members, Directors or officers of the Association.

ARTICLE XIII - ANNUAL REPORT

1. The Executive Board shall present annually to the Members a report, verified by the President and Treasurer or by a majority of the Directors, showing in appropriate detail the following:

(a) The assets and liabilities, including reserve funds, of the Association as of the end of the fiscal year immediately preceding the date of the report;

(b) The principal changes in assets and liabilities, including reserve funds, during the year immediately preceding the date of the report;

(c) The revenue or receipts of the Association, both unrestricted and restricted to particular purposes, for the year immediately preceding the date of the report, including separate data with respect to each reserve fund held by or for the Association;

(d) The expenses or disbursements of the Association, for both general and restricted purposes, during the year immediately preceding the date of the report, including separate data with respect to each reserve fund held by or for the Association; and

(e) The number of Members of the Association as of the date of the report, together with a statement of increase or decrease in such number during the year immediately preceding the date of the report, and a statement of the place where the names and addresses of the current Members may be found.

This report shall be filed with the minutes of the meeting of Members.

2. At least thirty (30) days prior to the beginning of each fiscal year, the Executive Board shall prepare and distribute to the membership of the Association, upon request, a written, itemized estimate (budget) of the expenses to be incurred by the Association during such year in performing its functions hereunder and under the Declaration. At the end of any fiscal year of the Association, the Executive Board may determine that all excess funds remaining in the operating fund, over and above the amounts used for the operation of the Property, may be returned to the Members proportionately, may be retained by the Association and used to reduce the following year's Assessments, or may be held in reserve.

ARTICLE XIV - NOTICES

1. Except as otherwise specifically provided herein, any notice required to be given to any person under these Bylaws shall be given to the person either personally or by sending a copy thereof:

(a) by first class or express mail, postage prepaid, or courier service, charges prepaid, to such person's postal address appearing on the books of the Association or, in the case of Directors, supplied by such Director to the Association for the purpose of notice. Notice pursuant to this subparagraph (a) shall be deemed to have been given to the person entitled thereto when deposited in the United States mail or with a courier service for delivery to that person; or

(b) by facsimile transmission, e-mail or other electronic communication to such person's facsimile number or address for e-mail or other electronic communication supplied by such person to the Association for the purpose of notice. Notice pursuant to this subparagraph (b) shall be deemed to have been given to the person entitled thereto when sent.

Delivery shall also be deemed to have been made when the notice is placed in the Member's mailbox. A certificate or affidavit by the Secretary or an Assistant Secretary shall be prima facie evidence of the giving of any notice required by these Bylaws. Except as may be otherwise specifically provided herein, when a special meeting is adjourned, it shall not be necessary to give any notice of the adjourned meeting or of the business to be transacted at an adjourned meeting, other than by announcement at the meeting at which such adjournment is taken.

2. The notice of any meeting of the Members shall specify the day and hour and place of the meeting and items on the agenda, including the general nature of any proposed amendments to the Declaration and these Bylaws, any budget or Assessment changes, and any proposal to remove a Director.

3. Whenever any written notice is required to be given under the provisions of statute or by the Articles of Incorporation or by these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Except as otherwise required by statute, neither the business to be transacted at nor the purpose of a meeting need be specified in the waiver of notice of such meeting. In the case of a special meeting of Members, such waiver of notice shall specify the general nature of the business to be transacted. Attendance of a person at any meeting shall

constitute a waiver of notice of such meeting, except where a person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting was not lawfully called or convened.

ARTICLE XV - MISCELLANEOUS PROVISIONS

1. One or more persons may participate in a meeting of the Executive Board or of the Members by means of conference telephone or other electronic technology by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this section shall constitute presence in person at such meeting.

2. The provisions hereof shall be deemed independent and severable, and the invalidity, partial invalidity or unenforceability of any one provision or a portion hereof shall not affect the validity or enforceability of any other portion or portions hereof unless such deletion shall destroy the uniform plan for development and operation of the Property.

3. The headings introducing the text of the several sections of these Bylaws are solely for the convenience of reference and shall not constitute part of these Bylaws or affect their meaning in any way.

4. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular and plural, as the identity of the person or persons or entities may require.

ARTICLE XVI - LIABILITY AND INDEMNIFICATION

1. Directors and Officers:

(a) shall not be liable to any Member, Unit Owner or other resident of the Property as a result of any actions taken or omitted to be taken in such capacities, for any mistake in judgment, negligence or otherwise, except for their willful misconduct or gross negligence;

(b) shall have no personal liability in contract to a Member or Unit Owner, or to any other person or entity, under any agreement, instrument or transaction entered into or executed by them on behalf of the Association;

(c) shall have no personal liability, direct or imputed, to a Member or Unit Owner, or any other person or entity, by virtue of acts performed by themselves or by agents, employees or contractors employed or retained by them, on their behalf, in their official capacity, except for their own willful misconduct or gross negligence; and

(d) shall have no personal liability arising out of the use, misuse or condition of the Property or any part thereof, which might in any way be assessed or imputed to them as a result, or by virtue of, their capacities as such.

2. A Director of the Association shall stand in a fiduciary relation to the Association and shall perform the duties as a Director, including duties as a member of any committee of the Executive Board upon which such Director may serve, in good faith, in a manner such Director reasonably believes to be in the best interests of the Association, and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing duties, a Director shall be entitled to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared by any of the following: (a) one or more officers or employees of the Association whom the Director reasonably believes to be reliable and competent in the matters presented; (b) counsel, public accountants or other persons as to matters which the Director reasonably believes to be within the professional or expert competence of such person; or (c) a committee of the Executive Board upon which such Director does not serve, duly designated in accordance with law, as to matters within its designated authority, which the Director reasonably believes to merit confidence. A Director shall not be considered to be acting in good faith if the Director has knowledge concerning the matter in question that would cause reliance to be unwarranted. In discharging the duties of their respective positions, the Executive Board, committees of the Executive Board and individual Directors may, in considering the best interests of the Association, consider the effects of any action upon employees, upon suppliers and customers of the Association and upon communities in which offices or other establishments of the Association are located, and all other pertinent factors. The consideration of those factors shall not constitute a violation of this section. Absent breach of fiduciary duty, lack of good faith or self-dealing, actions taken as a Director or any failure to take any action shall be presumed to be in the best interests of the Association. A Director of the Association shall not be personally liable for monetary damages as such for any action taken, or any failure to take any action, unless: (a) the Director has breached or failed to perform the duties of the office of Director under this section; or (b) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The provisions of this section shall not apply to: (a) the responsibility or liability of a Director pursuant to any criminal statute; or (b) the liability of a Director for the payment of taxes pursuant to Federal, state or local law.

3. The Association shall indemnify each of its Directors, officers, employees and committee persons, whether or not then in service as such (and such Director's executor, administrator and heirs), against all reasonable expenses actually and necessarily incurred (including, but not limited to, attorney's fees and disbursements) in connection with the defense of any litigation to which the individual may have been a party because the individual is or was a Director, officer, employee or member of a committee of the Association. The individual shall have no right to reimbursement, however, in relation to matters as to which such individual has been adjudged liable to the Association. The right to indemnity for expenses shall also apply to the expenses of suits which are compromised or settled if the court having jurisdiction of the matter shall approve such settlement. The foregoing right of indemnification shall be in addition to, and not exclusive of, all other rights to that which such Director, officer, employee or committee person may be entitled. The right of indemnification stated herein shall be deemed a contract between the Association and the indemnified party pursuant to which the Association intends to be legally bound. Any repeal, amendment or modification hereof shall be prospective only and shall not affect any rights or obligations then existing.

ARTICLE XVII - ASSESSMENTS

1. The fiscal year of the Association shall begin on the first day of January in each year, unless changed by resolution of the Board.

2. On or before the first day of November of each year (or sixty (60) days before the beginning of the fiscal year if the fiscal year is other than the calendar year), the Board shall adopt an annual budget for the Association. The budget shall contain an estimate of the total amount considered necessary to pay the cost of maintenance, management, operation, repair and replacement of the Common Facilities as to which it is the responsibility of the Association to maintain, repair and replace. The budget shall also contain an estimate of the cost of wages, materials, insurance premiums, services, supplies and other expenses that may be declared to be Common Expenses by the Act, the Declaration, these Bylaws or a resolution of the Association and which will be required during the ensuing fiscal year for the administration, operation, maintenance and repair of the Community Property and the rendering to the Owners of all related services. Such budget shall also include such reasonable amounts as the Board considers necessary to provide working capital, a general operating reserve and reserves for contingencies and replacements.

3. As more fully provided in the Declaration, subject to the provisions relating to the Declarant, each Member is obligated to pay to the Association annual Assessments, Limited Common Assessment and/or Special Assessment, if any. Any annual Assessments, Limited Common Assessment and/or Special Assessment which are not paid when due shall be delinquent. If the annual Assessments, Limited Common Assessment and/or Special Assessment is not paid within thirty (30) days after the due date, or such earlier time as set by the Rules and Regulations adopted by the Association, if any, such penalties as adopted by the Executive Board may be assessed, including interest from the date of delinquency at the rate as set forth in the Declaration, and the Association is authorized to bring an action at law against the Unit Owner personally to pay the same and/or obtain a lien against the Unit, and interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such annual Assessments, Limited Common Assessment and/or Special Assessment.

ARTICLE XVIII – ALTERNATIVE DISPUTE RESOLUTION

In the event of any dispute between or among the Association, any Unit Owner, the Declarant, the Executive Board or any Executive Board member relating to the Declaration, these Bylaws or the Association Rules and Regulations (other than disputes regarding claims made by the Association against a unit Owner for the collection of Common Expense Assessments), and such dispute cannot be resolved through direct communication among the parties, any party may request in writing to the Executive Board the appointment of a neutral and properly credentialed mediator. All parties to the dispute shall participate in the mediation in good faith for a period not to exceed 100 days unless an extension of time is agreed upon by all parties to the mediation. The cost of mediation shall be divided equally among the parties participating in the mediation.

(a) The mediation proceedings shall be held in Montgomery County, Pennsylvania

unless otherwise mutually agreed by the parties.

(b) If a dispute requires immediate emergency relief such as would be available through judicial injunctive relief, then any party to the dispute may seek such relief as a temporary resolution pending the opportunity to conduct mediation.

ARTICLE XIX - AMENDMENTS

1. Except as otherwise provided by Section 5504(b) of Pennsylvania Nonprofit Corporate Law, 15 Pa. C.S. § 5501 *et seq.*, (relating to selection and removal of Directors, voting rights of Members and Directors, quorum, proxies and qualifications of membership), the Executive Board shall have authority to adopt, amend and repeal these Bylaws, subject to the power of the Members to change such action by vote of a majority present at a meeting called for such purpose. The powers hereby conferred shall be exercised by a majority vote of the members in office of the Executive Board, or by the vote of the Members entitled to cast at least a majority of the votes which all Members present are entitled to cast thereon, as the case may be, at any regular or special meeting duly convened after notice to the Members or Directors of that purpose.

2. In the case of any conflict between the Articles of Incorporation and these Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control.

3. No amendment of these Bylaws shall make any change which would affect any of the rights, privileges, powers and options of the Declarant or the Declarant's assigns in the development of the Property and the development and sale of Units unless the Declarant shall join in the execution of such amendment.

4. Special Amendments. Notwithstanding anything contained in the Declaration or herein to the contrary, the Declarant, by the Declarant's own action, shall have the right to amend these Bylaws during the five (5) year period commencing on the date of these Bylaws solely in order to comply with the rules and requirements of any governmental or quasi-governmental body or any institution purchasing, holding or insuring a security interest in any portion of the Property.

(b) Molds are part of the natural environment. Mold may begin growing indoors when mold spores land on surfaces that are wet. There are many types of mold, and none of them will grow without water or moisture. The Builder has taken steps to prevent water penetration and moisture accumulation during home construction. Some of these steps include the clear-coating of the exterior of the basement foundation, interior perimeter drain with sump pit below the basement floor, poly vapor barrier below the basement floor, installation of proper flashing and rain gutters, buried rain leaders, proper sealing of all window and door openings, and routinely performing specific inspections of the home to determine whether there are any visible water leaks and to prevent water penetration.
