- \*\* If options are added or other changes made after house is started, buyer shall be responsible for additional cost incurred for such changes.
- \*\* Builder reserves the right to replace any of the following materials and appliances with equal quality and value.

**Excavation:**

All excavation is required to strip the topsoil, foundation excavation, back fill and rough grading. NOTE: Once finish grading is complete, all maintenance back fill required shall be the responsibility of purchaser. Contractor shall not be responsible for topsoil washout or growth of seed.

All topsoil shall be pushed from the work area and stacked for reuse in the final grading. If additional topsoil or fill is needed, purchaser shall pay for the additional cost. All final grading will be as per the builder. Any additional grading ordered by the purchaser shall be at the expense of the purchaser. The contract purchase price assumes a balanced fill lot. Rock removal and subsurface water conditions will result in additional charges to purchaser.

**Sump Pump / Radon Gas Collection:**

A drain pipe to plastic sump pump / radon collection bucket with a perforated 4" drain pipe around inside of footer perimeter will be installed in the base price. Sump pump and passive radon system (no fan) is included in base price.

**Permits and Codes:**

2018 IRC (International Residential Code)  
Acquisition of permits is the responsibility of the Contractor. Contractor shall be responsible for ordering inspections, and for meeting all applicable codes.

NOTE: No floor plan may be changed, or altered in any way, once ground is broken for that particular house. Also, NO selection changes may be made once the unit is under roof. Specific features subject to equivalent replacement at Contractor's discretion depending upon availability.

Contractor reserves the right to make equivalent substitution for any item specified at his sole discretion based upon availability and other factors.

**If options are added or other changes made, buyer shall be responsible for additional cost with approved change order. All options and changes are to be made part of the agreement of sale and included in final sales price when presenting the agreement of sale.**

**Builder reserves the right to replace any of the materials, systems, appliance and finishes with that of like kind.**
